

TOWN OF PARKER

June 11, 2010

Mr. Richard McGill, President
Arizona SunRiders ATV Club
PO Box 5054 Quartzsite, AZ 85359

Mr. McGill:

During their May 18, 2010, Regular Town of Parker Common Council Meeting, Mayor and Council heard your proposal for establishing an ATV trail system in La Paz County.

As explained by Randy Hartless the Executive Director of the Parker Area Chamber of Commerce and yourself we understand this project includes a comprehensive mapping of many trails in the County and the proposed ultimate goal is the signage of these trails indicating the mileage along with information relating to the trails difficulty.

The Town of Parker joins with the Town of Quartzsite, its Mayor and Council Members and the members of the La Paz County Board of Supervisors in wishing your group success in this endeavor and supports your efforts towards this goal.

Most sincerely,

Steve Madoneczky, Mayor
